PRODUCT
CHARGING / DISCHARGING GUIDE

Unscrew the button cover, USB data line access Micro USB charging/discharging port.

Use demonstration

- USB data line access charging port charge

- Unscrew the button cover

(Note:the end cap cycle to beforced to lock, to prevent leakage)

- put the mobile phone charging port access

PRODUCT
FUNCTION CHARACTERISTIC

1、USB data line charging ,can be connected to the charger , Charging treasure or computer USB interface can charge, chargd,Full of electricity can be used for more than 4 hours, the data line can also give the phone charging.

2、Can be used as mobile phone,charging for mobile phone.

3、With warning flash, real-time lighting bright, low light,flash and SOS signal for help 6 ways of use, 1switches,6 modes of free switching,often by close.

4、Waterproof,waterproof performance of up to IP68

30 hours of working hours

5、The design of magnet and lanyard,on the back , increasing the adsorption function convenient suspension;with a wall mounted portable hanging type, etc..

Waterproof IP68

6、Equipped with M6 copper insert nut,can be fixed on a tripod, camera bracket

Mobile phone charging function

7、There are strong flashlight flashlight function, can be irradiated in the long distance.

Magnetic adsorption function

8、The product can suck ,couple lights, meaning extraordinary

9、Electric quantity display indicator light function.

PRODUCT
CONTROL FUNCTION MODE

● Function description

Short press the switch mode,long press off, IC into sleep

1	2	3	4
First time torch lighting	Second time low brightness	Third time moderate white light	Fourth time high white light

5	6	7
fifth time Red and blue Flashing	Sixth time Mosquito lighting	Seven time long press shut down

PRODUCT
APPLICATION SCENARIOS

inspection lighting	Handing lighting	Outdoor camping	Learning lighting	Family emergency

Pathfinder field	Command warning	Outdoor riding	Outdoor fishing

PRODUCT
ACCESSORIES DESCRIPTION

Essential goods

- ● USB data line   one
- ● Lanyard   one
- ● Screw hanging ring   one
